| Safe Schools | School Resource Officer Training | School-linked mental health services via telemedicine. FY 18-19 and FY 20-21 and beyond.  
$250,000 one-time grant for training. Reimburse school districts for up to one-half cost ($500 maximum).  
$273,000 one-time grant to a nationally recognized organization to offer evidence-based online training for teachers on suicide prevention.  
$1 million one-time grant to school districts to cover the cost for an audit of the physical security of public school campuses and crisis management policies.  
Requires a school board to adopt a policy to establish safety assessment teams. Policy must include:  
- procedures for referrals to community mental health centers or health care providers; and  
- a requirement to notify a parent or guardian of a student whose behavior is assessed to determine whether the student poses a threat to the safety of school staff or students, unless it is not in the minor’s best interest.  
Requires a safety assessment team for each school; may serve more than one school.  
Requires a superintendent to establish a committee to oversee the safety assessment teams and may be an existing committee established by a school board.  
Prior to providing notice of expulsion or exclusion, the school’s integrated threat assessment team must conduct threat assessment of the pupil. Transmitted records must include any school assessment records, including services a pupil needs to prevent the behaviors from recurring.  
School boards may expel a student who threatens gun violence or intends to cause evacuation for at least one year.  
Allows school boards to modify expulsion on a case-by-case basis.  
A school district may apply for a school safety facility grant in the form and manner specified by the commissioner of education. ($25 million) |
